

# HOW RECENT EARTHQUAKE LEFT LOS ANGELES SUBURB

Earthquake damage on Commercial Street, Inglewood, California.

The photograph is evidence that the recent earthquake which visited southern California was no pink tea affair. In Inglewood, a Los Angeles suburb, the earthquake damage is estimated

at \$75,000. The Citizens Savings Bank building, shown in the center of the photograph, was almost totally destroyed, the front wall falling out and exposing the rooms to the street.

Miraculously no one was injured and the only fatality reported was the death of an elderly woman from shock. Immediately after the quake workmen started to clean up the debris.

ing at the city hall the parade will proceed south on Forsythe to Chicago avenue, then east to Oleott south to 14th, west to Baring, north to 14th, east to Forsythe and north to the Bus Exhibition Park. Following the Boy Scouts and city officials will be the floats and marches of the various societies and organizations of the city. The public is invited also to join in the parade.

The program at the Boxing Park will begin at 10:30 and will be opened with the singing of the Star Spangled Banner. The program will be:

Invocation  
Reading of the Declaration of Independence  
Americanism Melvin Specter,  
Vocal solo.  
Address: Rev. R. Keene Ryan.

The afternoon program will consist of a band concert, Boy Scout exhibitions of first aid, signposting and fire fighting, popular girl contest, penmanship races, tug of war, baseball and other contests. The band concert will start at 1:30.

The evening program is expected to create most interest among the younger people when a moonlight dance will be held on 14th st. adjoining the City Hall Park. Alderman Rocco Giorgio,

chairman of the music committee, has also one of the best Italian bands that has ever been heard in the city and they will start their concert in the City Hall Park at seven o'clock.

Although the program will be held in the East Chicago end of the city the committee is anxious to impress that the celebration is for the entire city and that citizens of Indiana Harbor and Calumet are expected to take part.

### Letters from a thrifty son to his father

East Chicago, Ind.  
July 3, 1920.

Dear Dad:

Several of us young fellows were having a chat at the club the other evening.

As fellows sometimes do, two or three chaps boasted about how much they earned.

One fellow who earned less than some of the rest of us became angry and said, "I don't care what you fellows earn. WHAT HAVE YOU GOT?"

Well, it turned out that he was worth more than anyone in the crowd. In fact, he and I were the only ones that were saving ANY money.

After all, it is the fellow that saves that will be the biggest success five years from now, when he will be in a position to take advantage of any opportunity that might come his way.

Sincerely,  
BOB.
